Introducing a reinvented classic. Bella Modera's 9.5" European White Oak Series further defines the luxury wood floor category with advancements in harvesting, coloring, consistency, and technology. Advancements in finish technology offer an extreme matte, real wood feel without the need to ever oil the floor.

*About Photo*

*Product photos and website images are to offer an impression and examples of the appearance of the floor. The color, grain and character variations shown may vary from actual flooring due to the limitations in the reproduction of photography or the monitor resolutions.*
